

We stand in solidarity with **UNITEHERE!**

We pledge to support **UNITEHERE**, both materially and morally, against a raid by any union against **UNITEHERE** members, or workers in **UNITEHERE**'s industry jurisdictions.

We further pledge our support for **UNITEHERE** if any employer seeks to take advantage of the current situation, especially if an employer forces a strike or lockout.

We urge an amicable, quick settlement of the current conflict.

We stand in solidarity with **UNITEHERE!**
