Local Union Response
What If My Co-Worker Tested Positive for COVID-19?

Member exposed to a co-worker who tested positive, but NO symptoms

Local union contacts employer’s highest level of HR/GM

Member tells Local Union rep - they were exposed to a co-worker who tested positive, but NO symptoms

Local union contacts employer’s highest level of HR/GM with member’s list of contacts

Member works with Local Union to come up with list of contacts at work

Local Union reaches out to member’s list of contacts at work & notifies them. Helps navigate next steps on self-monitoring health symptoms
