

Clean Hospitality Checklist Sample Social

Hospitality workers are fighting for health and safety standards because our industry can't recover without them.

Our Clean Hospitality Checklist will protect workers and the tourism economy.

#unitehere #COVID19

The future of the hospitality industry depends on making sure that our hotels and casinos are safe places to sleep, meet, and eat.

Workers have a plan to make it happen.

It's our Clean Hospitality Checklist: www.unitehere.org/cleanhospitality

#unitehere #COVID19

Workers are fighting to make sure that companies don't take shortcuts that would jeopardize the health of workers and the hospitality industry.

It's our Clean Hospitality Checklist: www.unitehere.org/cleanhospitality

#unitehere #COVID19

Black and brown workers' lives are at stake if hospitality companies open unsafely. Outbreaks in our industry are most likely to impact workers of color.

Make sure hospitality companies follow the Clean Hospitality Checklist: www.unitehere.org/cleanhospitality

#unitehere #COVID19

Our union has put out extensive guidelines for reopening hotels, casinos, & food service safely. If the industry ignores us & outbreaks occur, Black & brown workers will suffer.

Read our must-haves & stay tuned for action. www.unitehere.org/cleanhospitality #Covid19 #unitehere

Our union is fighting to make sure our industries reopen SAFELY. But let's be clear, we're fighting for ALL hospitality workers, whether or not you're in our union. Our lives depend on it.

Cleaning your hotel room is like washing your hands. Disinfect as often as possible.

The stakes are just too high. Read workers' Clean Hospitality Checklist: www.unitehere.org/cleanhospitality

#unitehere #COVID19

Hotel stays in the time of #Covid19 require intense testing, cleaning, and staffing.

Read the Clean Hospitality Checklist: www.unitehere.org/cleanhospitality

#unitehere

Reopening plans can't just be for PR, and they can't be forgotten after a few months. We need sustained and active implementation.

That's our Clean Hospitality Checklist: www.unitehere.org/cleanhospitality

#unitehere #COVID19

Workers are calling for testing and screening among other common-sense protections ahead of reopening.

If you plan to go to a university, airport, casino, or hotel in the near future, ask if they're following @UNITEHERE's Clean Hospitality Checklist.

Safe reopening in our industries is more than just masks, social distancing and hand sanitizer. Read more: www.unitehere.org/cleanhospitality #COVID19 #unitehere

COVID-19 can live up to 72 hours on places you might not expect - so it's vital to disinfect high-touch surfaces and common spaces as often as possible.

Read @UNITEHERE's #COVID19 Clean Hospitality Checklist: www.unitehere.org/cleanhospitality

Daily housekeeping is like washing your hands.

When your health depends on it, it's best to disinfect surfaces as often as possible.

Read workers' Clean Hospitality Checklist: www.unitehere.org/cleanhospitality

#COVID19 has turned us into frontline workers. We keep travel safe by protecting the health of our guests - but we need PPE and social distancing to do it.

Read workers' Clean Hospitality Checklist: www.unitehere.org/cleanhospitality

The stakes are too high to cut corners. We need regular access to COVID-19 testing, guests and staff should be screened daily, and paid sick time should always be available.
